

## TURN ON YOUR 24/7 ONLINE SALES PERSON!

- Are you using the internet as your 24/7 salesperson to build your business?
- Are you using the internet to maximize profits?
- Does the internet display the correct information about your business?
- Do your directory listings show the information potential customers are searching for?

In order to achieve the best results, you must provide the information your potential customers are looking for. Essentially the internet is your 24 / 7 salesperson that can answer any question a potential customer may have.

### Online Profile Check-Up

- Provide an assessment of Google, Yahoo and Bing Local listings.
- Provide an assessment of current business listings in directories.
  - If local listings and online directories are NOT optimized, we will explain what you need to do to correct it.
